9-5-19 Whole School Improvement: Reading and Writing SCHOOL NEWS

Attendance: Please help us by letting us know when your child is away from school.

NAPLAN—NAPLAN online went very well for Maroon State School. We had a couple of minor connection issues on the Tuesday but this had no impact on the students completing the test. It was great to see those students involved making an effort to give of their best. Very proud.

P&C News Pie Drive: Maroon enjoys the support of a very generous extended community who once again made the effort to drop pie orders in to the school for their friends and neighbours. This has resulted in another successful pie drive in 2019 despite only 2 of our 6 families supporting this fund raiser.

We still need one more volunteer to help with sorting the pies on Thursday 30-5-19. If you are able to help out it would be greatly appreciated. Please let Sandra know if you are available.

Reminder: There are some outstanding payments for school uniforms. Please make payment or see Sandra to organise a payment plan. Ordered sports shirts are awaiting pick up \$42.50.

Family Night: Thanks so much to all those who helped out on our Family Night to shift all the equipment out of the shed. We really appreciate your help and couldn't do it without you. The school refurbishment was scheduled to start today but it has been delayed. They will notify me of a start date very soon.

Boonah Show: Don't forget we are heading to the Boonah Show next Friday. The RSL bus is booked and we will be taking one staff vehicle.

Students will travel either by bus or staff vehicle. We ask that the children be picked up by 3pm at the Melbourne Street entrance. If you need the students to be transported back to Maroon, please make private arrangements. Please see Shaan to organise staff transport if required and inform her of any alternate travel arrangements. There will be limited seats available in the staff vehicle at 3pm.

ipads: Maroon State School has directed funding to provide each student with a school ipad. Students have already begun to create a digital STEM portfolio. The ipads are another tool in providing high quality engaging curriculum delivery for our students.

CAMP: Don't forget that we go on camp to Jacob's Well in a couple of weeks. I still need some permission notes to be returned. This should be a fabulous experience. Students in Year 1 and 2 will have Mrs Sara Clark filling in on those three days. Sara is a wonderful Early Childhood teacher and we are very lucky to have her join us for this period of time.

P&C Meeting :- May 23rd

Friday May 3rd

Small School Sports at
Muddapilly all students age
9-12 years

Monday May 6th Public Holiday
